

# *Queen of All Saints Basilica*

## DAY OF FUNERAL REQUIREMENTS

Please review the following directives from the Archdiocese of Chicago. These are set out to make sure all in attendance remain safe and healthy during the funeral.

- The door to enter is the northwest covered door (the porte cochere) of the church. The doors will open 15 minutes before the scheduled time of the funeral.
- All attendees must wear masks except children under 2 years of age.
- If anyone is ill who planned to attend, have them stay home.
- Sanitize your hands before coming and avoid touching surfaces as much as possible.
- A maximum of 150 attendees are allowed.
- Please keep socially distanced by household and enter the designated pews as marked or directed.

Finally, please have a list of all attendees and their phone numbers to hand over to the volunteer helping with the funeral. We are required to keep a list of all who attend any Mass or function held on our premises.

**PLEASE NOTE:** As required by the Illinois Department of Public Health and for contact tracing purposes, please notify the rectory if any of your attendees test positive for COVID-19 within two weeks of attending the funeral in the basilica. Any and all personal information will be kept strictly confidential.
