

*from generation*  
**QUEEN of ALL SAINTS**  
*to generation*  
 Luke 1:50

At this time anyone who has donated or pledged to our From Generation to Generation campaign should have received a letter confirming your donation amount\*, giving level and name listing for the campaign plaque. This is to ensure an accurate listing on the From Generation to Generation campaign plaque to be placed in the northwest hallway of the basilica opposite our Millennium Campaign wall. Donor names will be listed by the giving levels below.

Over the last several weeks we have continued to receive a considerable amount of pledge payments in time to meet our previously announced deadline for inclusion on the plaque. To make sure we have accounted for all these payments and properly recognized our donors we will run the list of donors again in our **August 6/7** bulletin. Please know that 100% of all pledge payments at this time are retained here at our parish for our exclusive use. Of course, we will continue to accept new pledges and payments on existing pledges after July 31 as well. If you wish to make a new donation or add to your current pledge, you may do so by scanning the QR code on the right. If you have any questions about the campaign or your individual listing, please call the rectory. Again, we thank you for your generous support of our parish!

*\* Note that if you have recently completed your pledge, your most recent payments may not be reflected in your giving level listed here.*
